

We are pleased to inform you about our Type Rating Training Programme. The training will be imparted in one of the leading Type Rating Training Organization (TRTO) in Europe, which is recognized by the airlines in India. The programme is designed as per DGCA and the airline requirement for getting the Type Rating Training with integrated Multi Crew Coordination.

### **Benefits of the Program**

- Training Tailored to the Airlines Requirement
- MCC and Jet Transition Training Included in Course
- Travel and Accommodations Package Available
- Excellent Accommodation with Ground Transportation
- No Hidden Costs
